In the article "New Records of the Myxobiota of Turkey" by R. Batur Oran and C. Cem Ergül, which was published in the Turkish Journal of Botany Vol: 28 (5), 511-515, 2004, *Paradiacheopsis rigida* (Brandza) Nann.-Brem., in Martin & Alexopoulos, was erroneously identified as a new taxon. This taxon was previously published in "Proceedings of the 2nd Balkan Peninsula:

into the Next Millennium, Vol. 1: 201-206, 2001 "by C. Cem Ergül and B. Dülger as a new record.

Hence, *Paradiacheopsis rigida* (Brandza) Nann.-Brem., in Martin & Alexopoulos, should not be considered a newly recorded taxon in the Turkish Journal Botany, Vol: 28 (5), 511-515, 2004.
